SENIOR VISUAL DESIGNER | UI/UX | MOTION | AI CREATIVE

Gurugram, India | +91 8708979655 | akash.chauhan99090@gmail.com

PROFILE

Visual designer with 5+ years of experience in e-commerce, retail campaigns, branding and digital media. Skilled in typography, layout, product visuals and motion content, with AI-assisted workflows for creative ideation and execution. Collaborates with marketing and category teams to deliver consistent, platform-ready creatives.

WORK EXPERIENCE

Senior Executive - Visual Design, Motion & AI Creative

Vishal Mega Mart | Jun 2023 - Present

- Design web/app banners, social posts, emailers, push notifications, RCS creatives, digital ads and product listing visuals for retail, FMCG and e-commerce campaigns.
- Develop campaign concepts and layouts with strong typography, visual hierarchy and brand consistency; create motion graphics, animated ads and promotional reels.
- Use ChatGPT, Claude, Gemini, Firefly, Midjourney, Runway and Kling AI for ideation, prompt-based concepts and faster creative execution.
- Collaborate with marketing, retention, SEM, content and category teams on campaign requirements and creative delivery.

Graphic Designer

FA Gifts Private Limited | Sep 2022 - Jun 2023

- Created website banners, social posts, email creatives and web push assets for retention, SEM and content teams.
- Delivered brand-aligned, product-focused visuals for e-commerce offers and digital campaigns.

Graphic Designer Expert

Million Kart Private Limited | Jul 2021 - Sep 2022

- Designed website banners, social media creatives, Google/social ads and email marketing visuals.
- Worked on product photography, image editing, motion graphics and video editing for digital platforms.
